Description

THE PRISONER WINE COMPANY

Our winemaking team works with a family of growers to source a diverse variety of grapes from premier vineyards throughout California. The resulting wines are interesting blends of distinct quality and character.

ABOUT THE WINE

Inspired by the age-old method of using cuttings from idyllic sites for the propagation of new vines, this Cabernet Sauvignon showcases some of our favorite hillside vineyards. Cuttings combines the deep, intense flavor of Cabernet Sauvignon with the structure and richness of Petite Sirah and Syrah. A small amount of Zinfandel adds a nice layer of complexity and spiciness.
