Food Pairing : White meats in sauce, grilled fish and seafood platters

Terroir/Vinification

Terroir

This wine is made from several vineyards spread all over Burgundy This blend combines the complexity of the Côte d ' Or and the generous fruit flavors from the Côte Chalonnaise and the Maconnais. The vines are conducted using the Guyot pruning, which permits a strict yield control. The soils are rich in limestone, where Chardonnay thrives.

Winemaking Manual harvest - Grape sorting – Traditional fermentation
