## Description

The wine is a clear bright medium lemon with a slight green tinge. Pronounced, fresh nose, slightly floral, accompanied by subtle hints of apricot and apple. Light to medium bodied, this is a fresh, fruity wine, which is elegantly balanced. Well rounded, it is soft and approachable with the aromas being mirrored on the palate and echoing on a pleasant lingering finish. JKW

Food Recommendations : It goes well with lightly aromatic dishes. Generally speaking it partners well with fish soups, vegetarian dishes, poultry and white meat with light sauces.
