

## Product Information

Area : Marlborough  
Wine style : White  
Varietal : Sauvignon Blanc  
Style : Dry  
Alc ( % ) : 13

## Description

Tasting Note: Fragrant gooseberry, greengage plums and a hint of tropical fruit. A full flavoured medium-bodied wine, with a clean finish and showing an abundance of regional flavours.

Food Matching: Fish, Shellfish, Mussels, Summer Salads.

Grape variety: Sauvignon Blanc.

## Terroir/Vinification

Terroir: Wairau Valley. Southern Valleys Awatere Valley. Climate: Cool. Geology: Ancient Glacial Soils. Harvest: The fruit was machine harvested in cool evening conditions. Vinification: Pressed immediately with minimal skin contact. After settling, the clear juice was fermented at very low temperatures with selected yeast strains to preserve the inherent varietal flavours. The wine was fermented entirely in stainless steel. Aging: no wood, stainless steel. Acidity: 6.8g/L. PH: 3.14. Residual sugar: 3.7g/L.
